John and his team are fabulous. He sold my house in four days and made the moving process very easy. I highly recommend this realtor team. They are talented and professional.

John is an amazing agent. My husband and I are moving to the area from out of state, so that made searching for a house a little more challenging since we are not familiar with the area. John, however, made this process so easy. He took our needs and wants into consideration when showing us some potential home. He was very knowledgeable about the process and the properties. He was efficient and prompt when we had questions or needed something. Overall, he made sure that our home-buying experience was a great one. If you are in the market for a new home and are looking for an experienced agent, I would highly recommend John Upshaw.
